

Every Little Thing She Does Is Magic

Lee Ritenour

Though I've tried before
To tell her of the feelings
I have for her in my heart

Every time that I come near her
I just lose my nerve
As I've done from the start

(CHORUS)

Every little thing she does is magic
Everything she do just turn me on
Even though my life before was tragic
Now I know my love for her goes on

Do I have to tell the story
Of a thousand rainy
Days since we first met

It's a big enough umbrella
But it's always me
That ends up getting wet

(CHORUS)

I resolve to call her up
Log on to kill this message.
A thousand times a day
And ask her if she'll marry me
In some old fashioned way

But my silent fears have gripped me
Long before I reach the phone
Long before my tongue has tripped me
Must I always be alone

(CHORUS) 2X

Oh, yeah, oh, yeah
Every little thing
Every little thing
Every little thing
Every little thing
Every little, every little
Every little

Every little thing she does
Every little thing she does
Every little thing she does
Every little thing she does
Is because of magic

Be yo, be yo, be yo.....

Every little thing
Every little thing
Every little thing
She do is magic

Magic, magic
Magic. magic, magic

Be yo, be yo, be yo
