

She Walks This Earth

Lee Ritenour

She's a soulful
Flower in the garden
She's bobbing in the sunlight
And flirting with her eyes

The way she walks by
I see a wave of color
Moving like an angel
Trailing butterflies

Give me water
Give me inspiration
I want to speak now
But I can't find a word
So unforgiving
Is my infatuation
Now that I know
She walks upon the Earth
She walks this Earth

I am restless
And burning with desire
And every other heartbeat
I beat just for her

I see her smiling
Full is my emotion
This is no illusion
But how can I be heard?

Give me water
Give me inspiration
I want to speak now
But I can't find the words
So unforgiving
Is this infatuation
Now that I know
She walks upon the Earth
She walks this Earth

Give me water
Give me inspiration
I need to hold her
Like no one else before
So unforgiving
Is my infatuation
Now that I know
She walks upon the Earth
She walks this Earth

She walks this Earth

She walks this Earth

I need to hold her
Like no one else before
