

Midnight Shift

Lee Rocker

If you see old Annie better give her a lift
Annie's been working on a midnight shift

If Annie puts her hair up on her head
Paints them lips up bright, bright red
Wears that dress that fits real tight
Starts staying out 'til the middle of the night
Says that a friend can give her a lift
Annie's been working on a midnight shift

If she acts a little funny, she seems a little strange
Starts spendin' your money on a brand new things
Tells you that she wants to use the car
But don't explain what she wants it for
Brother, there ain't no ifs
Annie's been working on a midnight shift

Early in the morning when the sun come up
Look at old Annie and she's looking kinda rough
Tell her "honey, get out of that bed"
She says "leave me alone 'cause I'm just about dead"
Brother, there ain't no ifs
Annie's been working on a midnight shift

If you got a good mama that's stayin' at home
Better enjoy it 'cause it won't last long
When you think everything's all right
She starts slippin' round in the middle of the night
Brother, there ain't no ifs
Annie's been working on a midnight shift
