We're standing on the edge of something else

**F#m**

Just count to ten and let go of yourself,

**E**

Somehow we'll get by, were sky high,

So baby wont you...

**A**

Jump

Take that leap of faith,

**Fm**

Take that leap with me,

**E**

We can make it if you just believe ,

Girl you'll never feel more alive than,

**B**

When you and I are skydiving,

**A Fm E B**
