Lee Ryan

Whoa  
Whoa there's light of your soul  
Whoa

Whoa  
Whoa there's light of your soul  
Whoa

Will someone tell me how to play  
The King, the Jack, the diamonds and the spades  
I think im losing in this game  
I won before and I can't win again

So what becomes of those?  
Who hit rock bottom low  
But still refuse to give in  
Saw them walking high  
Someone even smiled  
Coz in their eyes they know where they've been

Whoa  
Whoa there's light of your soul  
Whoa

Whoa  
Whoa there's light of your soul  
Whoa

Can someone tell me what's my name?  
They're calling me but I don't feel the same  
I think ive been here once before  
I lived a life that [?]

What becomes of those?  
Who hit rock bottom low, but still refuse to give in  
Saw them walking high  
Someone even smiled  
Coz in their eyes they know where they've been

Whoa  
Whoa there's light of your soul  
Whoa
