

Swayed

Lee Ryan

Fall in lust with a friend
They say this doesn't end easily
Give it up, let it go
Met a girl, who meant less to me

Ended up tellin' her
That you were the biggest part of me
Should have known better
Than to think, I'd forget you

And you know I get swayed
And you lead me astray
End up breaking the promises I made
You know I get swayed

Seconds thoughts to the first
Coming back around and I'm so confused
Never thought I'd be alone just because I felt this way
About me and you

Should have known better
Than to think I'd forget you

Don't you know I get swayed
And you leave me astray
And I'm breaking the promises I've made
You know I get swayed

I'm a man usually
Feeling's change like the weather
Oh yeah
Look at me, you will see this feeling will stay
Forever

Don't you know I get swayed
And you lead me astray
And I'm breaking the promises I've made
Breaking the promises I've made
I get swayed
