

Almaz

Lee So Ra

She only smiles
He only tells her
That she's the flower of wind and spring
In all her splendor sweetly surrendering
The love that innocence brings

Almaz, pure and simple
Born in a world where love survives
Now men will want her
'Cause life don't haunt her
Almaz, you lucky lucky thing

Now I watch closely
And I watch wholly
I can't imagine love so rare

She's young and tender
But will I bend her?
I look around if she's everything

Almaz, pure and simple
Born in a world where love survives
Now men will want her
'Cause life don't haunt her
Almaz, you lucky lucky thing

He throws her kisses
She shares his wishes
I'm sure he's king without a doubt
With love so captive
So surely captive
I ask if I could play the part

Almaz, pure and simple
Born in a world where love survives
Now men will want her
'Cause life don't haunt her
Almaz, you lucky lucky thing

Uh uh uh uh uh uh
Almaz, you lucky lucky thing
