

# Trouble

Lee Young Ji

I see the way that you blush at me  
Tell me why it's so uncomfortable  
Every time we meet  
Whatever you're thinking just let it be  
Don't say  
That you still have dreams about me  
Do you still have dreams about me?

I'm not looking for trouble  
I'm pretending it's not tempting  
But oh, it's a struggle  
Trouble keeps finding me  
Trying my best  
Not to mess around  
'Cause she's gonna bring me down  
And I'm not looking for trouble  
But trouble keeps finding me, uh

Last night  
I dreamed about you  
Don't tell my boyfriend  
That I did it again  
White lies with a small kiss kiss  
Baby, I'm that type of girl, quit playing  
And I'mma get a new mascara  
For this complicated drama  
Running from the trouble  
Makes you cause another karma  
Marry, kill, what?  
Don't hesitate, baby  
'Cause I'm that big trouble you need

I'm not looking for trouble  
I'm pretending it's not tempting  
But oh, it's a struggle  
Trouble keeps finding me  
Trying my best  
Not to mess around  
'Cause she's gonna bring me down  
And I'm not looking for trouble  
Trouble keeps finding me

I'm not looking for trouble  
I'm pretending it's not tempting  
But oh, it's a struggle  
Trouble keeps finding me  
Trying my best  
Not to mess around  
'Cause she's gonna bring me down  
And I'm not looking for trouble  
Trouble keeps finding me

Trouble keeps finding me  
Trouble keeps finding me  
Trouble keeps finding me  
Trouble keeps finding me
