

Fall For You

Leela James

Here we are, together
And everything between us is good
I'm right here in this cloud, baby
Ready to fly but before I take
Another step

Would you catch me if I fall for you?
'Cause I'm falling
I'm falling, I'm falling

I'm so used to standing
So used to being on my own
But this thing is new, baby
It feels like I'm losing control
I'll take another step

If you catch me when I fall for you
'Cause I'm falling
I'm falling, I'm falling

Will you promise to be there?
Stay by my side always?
Whenever I need you
Don't let me down, no, no

If I give you my all, don't let me fall
Would you do that for me, hold me?
Will you love, will you love me?

My heart is ready
For love and to be loved
And I chose you, baby
That's the one thing I'm sure of
So I will take this one last step

So catch me, I'm falling for you
I'm falling
I'm falling, I'm falling

I'm falling
I'm falling, I'm falling
I'm falling
I'm falling, I'm falling
I'm falling
I'm falling, I'm falling
