

Good Time

Leela James

Tonight is the night
we're gonna have a good time (2x)

Tonight i wanna party
can't wait to hook up with my crew
I'm so happy it's the weekend
'Cause i'm gonna let my head out
and shake my thang around

Deejay hear my groove cuz i'm really in the mood and you know j
ust what to do
tonight is my night

tonight is the night we're gonna have a good time
let's just have a good time(2x)

forget your worries just leave em behind
'Cause life's too short
you need to find a good time
so (?) your booty on the dance floor
what you came hear for, no parking on the floor(no no)

Deejay hear my groove 'cuase i'm really in the mood and you kno
w just what to do
tonight is my night

tonight is the night we're gonna have a good time
let's just have a good time
let's just have a good time
