

# Hard For Me

Leela James

The more I give you  
The more you want in return  
I try to show you love  
But you don't wanna learn  
(Now, baby)  
What's the point of this  
If we can't get it right  
Ah, baby  
Can't you see that I need you in my life  
Baby

Don't make it hard for me, baby  
I just wanna love you (love you)  
Let me love you (love you)  
Let me love you  
Let me love you  
Let me love you

Why you make it so hard for me, baby?  
And why you push me so far away?  
Baby  
Can't you see that I'm  
Always down for you?  
I ride or die for you  
Give my life for you  
Can't you treat me the same way, too  
Baby, oh oh

Don't make it hard for me, baby  
I just wanna love you (love you)  
Let me love you (love you)  
Let me love you  
Let me love you

I don't wanna fight with you  
No, not tonight  
I don't wanna cry about it  
(No tears, no tears)  
But what am I supposed to do?  
'Cause we can't be together like this  
You know I love you  
(Yes, I do)  
But if you keep on  
Taking me through this  
I'll do what I have to do  
Say goodbye to you (bye)  
(I'll get over you)  
I'll get over you you you you

Don't make it hard for me, baby  
I just wanna love you (love you)  
Wanna love you  
Let me love you  
Let me love you  
Let me love you

Don't make it hard for me, baby

Don't make it hard  
I just wanna love you  
Just wanna love you  
Let me love  
Let me love you (love)  
Let me love you  
Let me love you  
Let me love you  
Let me love you  
Let me love you
