

# I'm Out!!

Leela James

I shoulda left you long ago babe  
And saved all this heartache  
But I stayed tryin' to make it right  
You kept on tellin' lies  
Bringin' tears to my eyes  
Oh, how you made me cry  
So this is what I'm gonna do right now  
I got my bags packed and I'm ready to fly  
I'ma go far away from you  
And leave you sittin' here, singin' the blues  
You gonna feel what I feel, yeah

I gave you my all, you took it from me  
The more that I give, the more that you need  
No more, no more, I'm outta love  
I'm good, I'm done, throw up the dubs  
I'm out!

You brought this on yourself  
What did you think I would do?  
You're drainin', drainin', drainin' me  
And I can't keep bein' your fool  
Oh, I'm so tired  
I gotta go, gotta go  
I gotta get away from you  
Before there's nothin' left for me to lose  
Oh, I can't let you suck all the life out of me  
So I gotta leave you here, singin' the blues  
Ooh, ooh, ooh, ooh

No, I gave you my all, you took it from me  
The more that I give, the more that you need  
I gave you my all, you took it from me  
The more that I give, the more that you need  
No more, no more, I'm outta love  
I'm good, I'm done, I'm outta love  
No more, no more, I'm outta love  
I'm good, I'm done, throw up the dubs  
I'm out!
