

I Still Believe

Leela James

The sweetest kiss
You hold me tight
But somethin' just ain't right
And I don't wanna go, no
But sometimes I don't wanna stay, no
I can't keep livin' a lie

Maybe I'm in love with love
Or just a silly fool
Maybe I'm afraid of the thought of losin' you
What if I keep holdin'
To somethin' that's long been broken
Will that break me too?
'Cause lovin' you is like

Waiting on the sun
But the rain keeps fallin' on me
And the clouds cry tears
But I still wanna believe, yeah
I believe, I believe

I have myself to blame, y'all
And I feel ashamed, y'all
I guess it's all on me
'Cause when it's good, it feels so good
Oh, love will make you blind, y'all
And I can hardly see
'Cause lovin' you is like

Waiting on the sun
But the rain keeps fallin' on me
(Keeps fallin' on me
Keeps fallin' on me
Keeps fallin' on me, yeah yeah)
And the clouds cry tears (Cry tears)
But I still wanna believe
(I believe, I believe
I believe, yeah yeah)
I'm waiting on the sun
But the rain keeps fallin' on me (I'm waiting)
And the clouds cry tears (Cry tears)
But I still wanna believe
(I believe, yes I believe
I believe, yeah yeah)

Listen to me
Sometimes love can feel so good
Oh, love will make you blind
I guess I still believe
Yeah, oh
