

I Was Your Woman

Leela James

Said, I was your woman
But you treated me like your side chick
Instead of taking care of home
You're always out with some other tricks
And I'm tired of trying to fix it
My patience is non-existent
So, do what you wanna do
'Cause baby I'm through with you

I'm tired of talking bout it, I'm so through
'Cause you wouldn't know a lie from the truth
You ain't worth the time I gave you

I won't give you the satisfaction
No more tears, no more question asking
Said, I was your woman
But you treated me like your side chick
I've seen the messages in your phone
You low down piece of shit
Yeah, I know you've been unfaithful
So, it's time to turn the table
So, do what you gotta do
'Cause baby I'm through with you

I'm tired of talking bout it, I'm so through
You wouldn't know a lie from the truth
You ain't worth the time I gave you

And I wish I'd never met you
You make it easy to forget you

Tell them, you better twist it up
I don't want you no more
I'm 'bout to flip shit up

Baby I'm through with you

I'm tired of talking bout it, I'm so through
You wouldn't know a lie from the truth
'Cause you ain't worth the time I gave you

I wish I'd never met you
But I'm happy to forget you
And I'm not a bitter woman
I'm a better woman
A blessed woman
A grown woman (a grown-ass woman)
Ooh
