

It's Over

Leela James

It's over-
Over, over, over, over oh

It's over-
Over, over, over, over oh

After all the things you said
And all the things you did to me
I tried to show my love
Through all of your adversity
But inside I don't feel right
'Cause I know you ain't no good for me
So this time I've made up my mind
You will get no more tears from me again

Over, over, over, over
It's over, I don't want you
I don't need you no more
It's over
Over, over, over, over
I don't want you,
I don't need you
I don't want you
It's over

Should've known that you wouldn't change
You'll always be the same
And I was such a fool to think that you could be true
I can't believe I wasted my time
Deceived by all of your lies
That's why I've changed the locks on my door
'Cause love don't live here no more

Over, over, over, over
It's over, I don't want you
I don't need you no more
It's over
Over, over, over, over
I don't want you,
I don't need you
I don't want you
It's over
