

# Party All Night

Leela James

Ooh  
Ooh  
Ooh  
Yeah, yeah, yeah

You've been staring hard at me  
And I can tell you like what you see  
So come on over here and let's dance to this beat  
If the music [?] then that's all that we need

'Cause I don't wanna party alone, yeah  
And tonight, I'm feeling good, so it's on, yeah, yeah, yeah

Oh-ooh-ooh, we're gonna party all night  
We came to party all night  
Ooh  
Ooh  
Ooh  
Yeah, yeah, yeah

Now I got you on your feet  
Your body's sweating from the heat  
The room is on fire, there's no way out  
But ain't nobody tripping 'cause it's going down

And nobody wants to party alone, yeah  
And tonight, I'm feeling good, so it's on, yeah, yeah, yeah

Oh-ooh-ooh, we're gonna party all night (Came to party)  
We came to party all night  
And I don't know what you come to do, I hope you came to party  
Oh-ooh-ooh, we're gonna party all night

We came to party with you tonight  
We came to party with you tonight  
We came to party with you tonight  
We came to party with you tonight  
We came to party with you tonight  
We came to party with you tonight  
We came to party with you tonight  
We came to party with you  
Come on and clap your hands  
Come on and stomp your feet  
Come on and clap your hands  
Come on and stomp your feet  
Come on and clap your hands  
Come on and stomp your feet  
Let me see you break it on down  
Show me how you like to get down

And I don't know what you come to do, I hope you came to party  
Oh-ooh-ooh, we're gonna party all night
