

# Save Me

Leela James

He used to love me the way you love me  
But now things ain't the same  
I don't know why he changed  
He gave me flowers  
We talked for hours  
But now all that we do is argue  
And I'm so through

Even when he loved me  
He didn't love me like you do, now  
He's tearing up my heart  
Is there anything you can do?  
It's an emergency  
I need you to save me, rescue me, baby  
'Cause I'm going crazy (so crazy), goin' crazy  
I need you to save me, rescue me, baby  
'Cause I'm going crazy, goin' crazy (so crazy)

And I don't wanna drown (drown)  
You got me going down (down)  
You save me (you save me), oh baby (oh baby)  
And I don't wanna drown (drown)  
You got me going down (down)  
You save me, oh baby, save me

I'm sinking, I'm drowning  
Please help me move this mountain  
Oh, save me now, now, now, now, now  
'Cause I'm running, I'm running out of time  
And my heart is on the line  
Oh, help me now, now, now  
'Cause even when she loved me

She didn't love me like you do  
I can love you better  
It's true, so much better  
She's tearing up my heart  
Is there anything you can do?  
Baby, I can love you  
It's an emergency

I need you to save me  
I'll save you  
Rescue me, baby (rescue me, baby)  
'Cause I'm going crazy (I'm going crazy)  
Goin' crazy  
I need you to save me  
I'll be there  
Rescue me, baby  
I'll be there  
'Cause I'm going crazy, goin' crazy

And I don't wanna drown  
I don't wanna drown (drown)  
You got me going down  
You got me going down (down)  
You save me, save me

Oh baby, baby  
I don't wanna drown  
I don't wanna drown (drown)  
You got me going down  
You got me going down (down)  
You save me, save me  
Oh baby, save me

I'll save you  
I'll save you  
In my background saying
