

There 4 U

Leela James

Babe, you can count on me
I'm here for you completely
So lay your heart on me, mmh
And feel me [?]
I want you to understand
You're my only man
Down the [?]
Running to your [?]

No matter what it is
No matter who it is
No matter where you go
I'll be there
Please believe me [?], baby
Just call on me, baby
Whenever you need me, need me
Oh, I'll be there for you

Call on me, I thought you knew, yeah
Whatever you need I'll do
Let me be the one you run to
I'll be there for you, there for you
Ooh, I'll be there for you
Ooh, call me, I'm there for you
Ooh, I'll be there for you
I'm there for you

Now that you know, baby
You're the mate to my soul, baby
'Cause I want you, I love you
I wanna grow old with you babe
And have all your babies, mmh
Till the end of the world I go
Deep as the ocean, you know
High as the mountain
Bright as the sun
Baby you're the one

No matter what it is
No matter who it is
No matter where you go
I'll be there
Please believe me [?], baby
Just call on me, baby
Whenever you need me, need me
Oh, I'll be there for you

Call on me, I thought you knew, yeah
Whatever you need I'll do
Let me be the one you run to
I'll be there for you, there for you
Ooh, I'll be there for you
Ooh, call me, I'm there for you
Ooh, I'll be there for you
I'm there for you

Be it morning, noon or night

I'll stand right by your side
You can always feel secure
For sure, baby

No matter what it is
No matter who it is
No matter where you go
I'll be there
Please believe me [?], baby
Just call on me, baby
Whenever you need me, need me
Oh, I'll be there for you

Call on me, I thought you knew, yeah
Whatever you need I'll do
Let me be the one you run to
I'll be there for you, there for you
Ooh, I'll be there for you
Ooh, call me, I'm there for you
Ooh, I'll be there for you
