

Tryin To Get By

Leela James

Standing at the crossroads
Don't know which way to go
Money's funny when it's due
Lord, which path should I choose?

Keep on, keep on, keep on holding on
Keep on, keep on, keep on moving on
Keep on, keep on, keep on holding on
Keep on, keep on, keep on moving on

Tryna get by in this world
Tryna survive
Tryna get by in this world
Tryna survive

Searching for the high road
Need some peace for my soul
So much unrest surrounding me
Sometimes it feels like I can't breathe
Whoa, I gotta keep on, y'all

Keep on, keep on, keep on holding on
Keep on, keep on, keep on moving on
Keep on, keep on, keep on holding on
Keep on, keep on, keep on moving on

Tryna get by
Tryna survive
Tryna get by
Tryna survive
Tryna get by
Tryna survive
Tryna get by
Tryna survive

Tryna get by
Tryna get by
Tryna, tryna, tryna get by
