

Where U Are

Leela James

Hey, baby
I'm alright, yeah
I mean, I could be better
If I was with you, you know?
I mean, do you have to be over there?
'Cause I just wanna be there too
Yeah, baby, wherever you are, I wanna be there

This is not for play-play
Baby, I'm for real
I'm giving my confession
I'ma love you still, yeah
Even if you're far away
I'm gonna be right there, yeah
'Cause I'm so into you
Only you, I'm locked in

I wanna be (I wanna be where you are)
Ooh, I wanna be (I wanna be)
(Wherever you be) Wherever you be, I wanna be
(I wanna be where you are) I wanna be where you are
(I wanna be, I wanna be, just you and me) Yeah
(Wherever you be, I wanna be wherever you be)

(I wanna be)
(I need to be) Yeah
Play, J-Mo
(I wanna be, I wanna be, oh)
I wanna be with you
Wherever you be is where I wanna be
Ooh, play, J-Mo

We're like pieces in a puzzle (Yes, we are)
Ooh, we fit together (Ooh, we do)
The perfect combination (Me and you)
We got a fly situation (Fly situation)
And I ain't never going nowhere (No, no)
Unless you're there, yeah
'Cause I'm so into you
Only you, I'm locked in

I wanna be (I wanna be where you are)
I wanna be where you are (I wanna be)
I wanna be (Wherever you be), wherever you be, I wanna be
(I wanna be where you are) I wanna be where you are
(I wanna be, I wanna be, just you and me)
(Wherever you be, I wanna be) Wherever you be

My days are long, my nights are longer, yeah (Yes, they are, yes, they are)
Whenever you're not around, my love for you grows stronger and stronger

(Wherever you are, I wanna be) I wanna be
(Wherever you are, I need to be) I need to be
(I wanna be where you are) I wanna be where you are
(Wherever you are, I wanna be) I wanna be
(Wherever you are, I need to be) I need to be
(I wanna be where you are) I wanna be, I wanna be where you are

(I wanna be where you are) I wanna be where you are
(I wanna be) I
(Wherever you be) Wherever you be, wherever you be
(I wanna be where you are) Oh
(I wanna be, I wanna be, just you and me)
(Wherever you be, I wanna be wherever you be)
