

Better Word

Leeland

Your blood is healing every wound
Your blood is making all things new
Your blood speaks a better word

Your blood, the measure of my worth
Your blood, more than I deserve
Your blood speaks a better word
Speaks a better word

It's singing out with life
It's shouting down the lies
It echoes through the night
The precious blood of Christ
Speaks a better word
Speaks a better word

Your blood, a robe of righteousness
Your blood, my hope and my defense
Your blood forever covers me
Forever covers me

It's singing out with life
It's shouting down the lies
It echoes through the night
The precious blood of Christ
Speaks a better word
Speaks a better word

It's calling out my name
And it's breaking every chain
It's making all things right
The precious blood of Christ
Speaks a better word
Speaks a better word
Yes, it does
Yes, it does

It's re-writing my history
It covers me with destiny
It's making all things right
The precious blood of Christ

It's re-writing my history
It covers me with destiny
It's making all things right
The precious blood of Christ

It's re-writing my history
It covers me with destiny
It's making all things right
The precious blood of Christ
It's re-writing my history
It covers me with destiny
It's making all things right
The precious blood of Christ

It's singing out with life

It's shouting down the lies
It echoes through the night
The precious blood of Christ
Speaks a better word
Speaks a better word

It's calling out my name
And it's breaking every chain
It's making all things right
The precious blood of Christ
Speaks a better word
Speaks a better word

Oh, oh, oh
Oh, oh, oh

It's making all things right
The precious blood of Christ
Speaks a better word
Speaks a better word

Oh, oh, oh
Oh, oh, oh

It's making all things right
The precious blood of Christ
Speaks a better word
Speaks a better word
