

Ever Love You

Leeland

Here I am, remembering
I was lost, sin had blinded me
Your blood destroyed, what stood between
Who I was, and what You saw in me
Now I know who I am made to be

Take this life I give
All for You I live
I'm alive to love You Lord

Now I walk, in love and faith
And boldly come, to Your throne of grace
What a joy, to behold Your face
And to drink the living water
And my spirit sings Abba Father!

Take this life I give
All for You I live
I'm alive to love You Lord

When my heartbeat fades
And I see Your face
I will ever love You Lord

Jesus You had hope for me
Believed in me, endured for me
When I was still a sinner
Lord You bled and died for me
When I was still a sinner
You never gave up on me

Jesus You had hope for me
Believed in me, endured for me
When I was still a sinner
Lord You bled and died for me
When I was still a sinner
You never gave up on me

So take this life I give
All for You I live
I'm alive to love You Lord

When my heartbeat fades
And I see Your face
I will ever love You Lord
