Lead the Way

Leeland

I thought I knew what was best for my own life
Then I heard You calling me out from the shore line

You draw me in, I wanna give You everything
For I was created to walk with You side by side

You are the way and the truth and the life
There is no fear in Your presence
You lead the way, the way, Jesus You lead the way

You hold the keys to my future my destiny
Your thoughts and your plans are the hope that's in front of me

What a joy it is to give you everything
In life and in death I am
Yours for eternity

You are the way and the truth and the life
There is no fear in Your presence
You lead the way, the way, Jesus You lead the way

I will follow
I will follow
I will follow You

I will follow
I will follow
I will follow You

I don't care if I look like a fool
I don't care if I don't look cool, no
I don't care if I look like a fool
If I don't look cool
I'll be a fool for You, Jesus
I don't care if I look like a fool
I don't care if I don't look cool, no
I don't care if I look like a fool
If I don't look cool
I'll be a fool for You

You are the way and the truth and the life
There is no fear in Your presence
You lead the way, the way, Jesus You lead the way

You are the way and the truth and the life
There is no fear in Your presence
You lead the way, the way, Jesus You lead the way

I will follow
I will follow
I will follow You
