

The Sending

Leeland

Singing, oh, Holy Spirit, move in our hearts
Send us with power into the world
Oh, Holy Spirit, move in our hearts
Fill us with fire and love for the world

Singing, oh, Holy Spirit, move in our hearts
Send us with power into the world
Oh, Holy Spirit, move in our hearts
Fill us with fire and love for the world

We are gathered in Your name
With expectancy and faith
We are waiting
We are waiting

Give us boldness to proclaim
All the wonders of Your grace
We are ready
We are ready

Oh, Holy Spirit, move in our hearts
Send us with power into the world
Oh, Holy Spirit, move in our hearts
Fill us with fire and love for the world

Your compassion for the lost
Love that sent You to the cross
We receive it
We receive it

Jesus, You are worth it all
No matter what the cost
We believe it
We believe it

Oh, Holy Spirit, move in our hearts
Send us with power into the world
Oh, Holy Spirit, move in our hearts
Fill us with fire and love for the world

Oh, Holy Spirit, move in our hearts
Send us with power into the world
Oh, Holy Spirit, move in our hearts

Fill us with fire and love for the world

Let this room be shaken
Let our hearts be broken
Let Your church awaken
To Your love!

Let this room be shaken
Let our hearts be broken
Let Your church awaken
To Your love!

Let this room be shaken

Let our hearts be broken
Let Your church awaken
To Your love!

Let this room be shaken
Let our hearts be broken
Let Your church awaken
To Your love!

Oh, Holy Spirit, move in our hearts
Send us with power into the world
Oh, Holy Spirit, move in our hearts
Fill us with fire and love for the world
Oh, Holy Spirit, move in our hearts
Send us with power into the world
Oh, Holy Spirit, move in our hearts
Fill us with fire and love for the world

Let this room be shaken
Let our hearts be broken
Let Your church awaken
To Your love!

Let this room be shaken
Let our hearts be broken
Let Your church awaken
To Your love!

Oh, Holy Spirit, move in our hearts
Send us with power into the world
Oh, Holy Spirit, move in our hearts
Fill us with fire
