Wait for You

Leeland

I will wait for You
I will wait for You
When these mountains won't move
Still I'll wait here for You

I will take Your hand
I will take Your hand
When I don't understand
Still I'll take Your hand

For You know
My lying down and
You know
My rising up and
Where can
I go that You won't always be
There waiting

I will wait for You
I will wait for You
When these mountains won't move
Still I'll wait here for You

For You know
My lying down and
You know
My rising up and
Where can
I go that You won't always be
There waiting

You know
My lying down and
You know
My rising up and
Where can
I go that You won't always be
There waiting (for me)

I won't give up on You
'Cause You don't give up on me
When I don't understand
You keep me standing

I won't give up on You
'Cause You don't give up on me
Lord, in my unbelief
You keep believing in me

Someday through Heaven's door
I'll find what it all was for
Hope isn't far away
'Cause You're here waiting

I will wait for You
I will wait for You
When these mountains won't move

Still I'll wait here for You

I will take Your hand
I will take Your hand
When I don't understand
Still I'll take Your hand

For You know
My lying down and
You know
My rising up and
Where can
I go that You won't always be
There waiting (for me)

You know
My lying down and
You know
My rising up and
Where can
I go that You won't always be
There waiting

For You know
My lying down and
You know
My rising up and
Where can
I go that You won't always be
There waiting
