

Weak Man

Leeland

Jesus, give me your heart
Let there be a death in me
I'm making room for all that you are
Give me your heart

Jesus, give me your heart
Break me down, build me up
Let who I was keep falling apart
Give me your heart

My Creator
Oh, my Creator
May I be low, low, low, so you're made higher
May I be low, low, low, so you're made higher
And I'll be weak, for you are strong, weak, for you are strong
In the weak man

Jesus, give me your heart
Burn away all the drugs
Come on, let the fire start
Give me your heart

My Creator
Oh, my Creator
May I be low, low, low, so you're made higher
May I be low, low, low, so you're made higher
And I'll be weak, for you are strong, weak, for you are strong
In the weak man

I want to make you higher
Lord, it's my heart's desire
I want to make you higher

May I be low, low so you're made higher
May I be low, low, low, so you're made higher
And I'll be weak, for you are strong, weak, for you are strong

May I be low, low, low, so you're made higher
May I be low, low, low, so you're made higher
And I'll be weak, for you are strong, weak, for you are strong
Weak, for you are strong
In the weak man
In the weak man
