

Where You Are

Leeland

I can't get enough
No, I can't get enough
Of Your amazing love
Jesus, I can't get enough

I can't walk away
No, I can't walk away
For I have seen Your face
And I can't walk away

And I just wanna be where You are
I just wanna be near Your heart
There is nothing like Your love
Jesus, there is nothing like Your love

I can't get enough
No, I can't get enough
Of Your amazing love
Jesus, I can't get enough

I can't walk away
No, I can't walk away
For I have seen Your face
And I can't walk away

And I just wanna be where You are
I just wanna be near Your heart
There is nothing like Your love
Jesus, there is nothing like Your love

And I just wanna be where You are
I just wanna be near Your heart
There is nothing like Your love
Jesus, there is nothing like Your love

Your children singin'
Oh, oh, oh, oh
Singin' oh, oh, oh, oh
Singin' oh, oh, oh, oh
Jesus, I love You
Jesus, I love You

Your children singin'
Oh, oh, oh, oh
Singin' oh, oh, oh, oh
Singin' oh, oh, oh, oh
Jesus, I love You
Jesus, I love You

Your children singin'
Holy, holy
Holy, holy
Holy, holy
Jesus, I love You
Jesus, I love You

Holy, holy

Holy, holy
Holy, holy
Jesus, I love You
Jesus, I love You

And I just wanna be where You are
I just wanna be near Your heart
There is nothing like Your love
Jesus, there is nothing like Your love

I just wanna be where You are
I just wanna be near Your heart
There is nothing like Your love
Jesus, there is nothing like Your love
