

Back And Forth

Left Boy

(It's not the way it seems)

Look, this is what I do
I sit home and make music
On my own
I live in my own world
In my own zone
I don't give a fuck about what's going on
But I know you
And you know me
As soon as I run after you flee
And it's getting so fucking boring to me
That I'm gonna have to let it be

Back and forth
Back back and forth
This such a bore
I'm at the door
I'm looking for more
I don't wanna see you anymore

Back and forth
Back back and forth
This such a bore
I'm at the door
I'm looking for more
I don't wanna see you anymore

You waisted my time
I waisted
All I'm saying in these lines
I must have been blind

I like to believe
That there's girls at there
That don't have to deceive

I come close
I move way
You call pull

You can't say I didn't try, baby
I try too hard
But I'm that kind of guy
I break all ties

And I play games too
But I can't compete with you, you, you
Yea, you gonna be what you be
But it ain't gonna be nothing to do with me

Cause

Back and forth
Back back and forth
This such a bore
I'm at the door

I'm looking for more
I don't wanna see you anymore

Back and forth
Back back and forth
This such a bore
I'm at the door
I'm looking for more
I don't wanna see you anymore

Back and forth
Back back and forth
This such a bore
I'm at the door
I'm looking for more
I don't wanna see you anymore

Back and forth
Back back and forth
This such a bore
I'm at the door
I'm looking for more
I don't wanna see you anymore
