Oh, hi  
Momma used to think I was a nice guy  
I roll the dice

I'm too fly for these motherfuckers  
Everyone wants to get down with the man  
Damn, boom, bam  
Sounds like I got another classic jam

I'm down for whatever  
This way, that way, I'm down for whatever  
She wanna ride with the devil (vroooom)  
Put the foot down to the pedal

I'm down for whatever  
This way, that way, I'm down for whatever  
She wanna ride with the devil  
Ride with the devil, ride with the devil
