

Every Single Summer

Left Boy

And every single summer
I think back to the
Beach and the Mediterranean
You're giving me your number
I can't believe my eyes
I've been asleep all my life
I've been asleep

And I never wanna wake up
It's a dream in a dream in a dream in a dream
With a splash of the coke on a Jim Bean
Got the sunlight dancing on the sea
Got the waterproof makeup
She doing backflips at the front of the boat, yeah
Take a little sip, let it run down your throat
Get the ice tea

Ice cold, ice cold, ice cold
I'm dancing on the moon like Michael
I'm balling out like I'm Michael
This life's a cinematic, baby, it's a light show
Bikini on the back on a motorcycle
Top speed, let's go
She taking pictures on the iPhone
She wanna get into the right zone
She got another guy
He's not [?] home
I've never been the one to jump into the [?] though
Yeah, there I go

I don't really give a fuck, yeah
I'll be drinking till the sun is up, yeah
I'll be fucking till the sun is down, yeah
And then we go again
Got you in my arms
You reading my palm
Future looking like we fucking all night long

'Cause I like the feeling
(That you give to me, it's all I need)
Sexual healing
([?] make me complete)
'Cause I like the feeling
(That you give to me, it's all I need)
Sexual healing
([?] make me complete)
'Cause I like the feeling
(Ha-ha-ha ha ha, Ha-ha ha ha)
(Ha-ha-ha ha ha, Ha ha ha ha-ha, ha)
(Ha-ha-ha ha ha, Ha-ha ha ha)
(Ha-ha-ha ha ha, Ha ha ha ha-ha)
'Cause I like the feeling

Took a nice nap
In the sunshine
Yeah I like that
Pull up on the beach

The booty looking so fat
I don't wanna leave
But I'm never coming back
I'm moving to Greece
I'm moving in the breeze
A movie with you and me
Beauty and the Beast
She's singing a melody
Lay it down on me
Lay it down on me

It's a dream in a dream in a dream in a dream
With a splash of the coke on a Jim Beam
Wanna go fast in a boat like the A-Team
I don't give a fuck 'cause I'm 18
And I've been waiting all year
Just to get a taste of the sun
I don't wanna chase anyone
[?] facing the gun
But you're moving so fast

I don't really give a fuck, yeah
I'll be drinking till the sun is up, yeah
I'll be fucking till the sun is down, yeah
And then we go again
Got you in my arms
You reading in my palm
Future looking like we fucking all night long
