

## Got Damn

### Left Boy

I'm 27 years and I don't know who I am  
Used to know it all, now I ain't got a plan  
My girl done said she's had enough  
So I packed my bags, grabbed all my stuff

Goddamn (wooh, wooh, wooh, wooh)  
Goddamn, goddamn, goddamn (hey, hey, hey)  
Goddamn (wooh, ooh, ooh)

So I moved back in with my dad in the city  
He said: "My boy, I got no pity  
You done got your heart broke again  
It's time you learn how to act like a man"  
(Time you learn how to act like a man)

Goddamn (wooh, wooh, wooh, wooh)  
Goddamn, goddamn, goddamn (hey, hey, hey)  
Goddamn (wooh, ooh, ooh)  
Goddamn (wooh, wooh, wooh, wooh)  
Goddamn (wooh, wooh, wooh, wooh)  
Goddamn, goddamn (hey, hey, hey)  
Goddamn
