

Marie

Left Boy

Oh, Marie, I know I'm gonna be sorry
You made me feel I was supposed to be
Oh, Marie, just because you carry
Doesn't mean that I'm gonna settle down and marry

Ma-Ma-Ma-Ma-Ma-Marie
Good times and memories
You do as you please
Better take good care of our kid
'Cause I don't think that I'ma be there to do it

Oh, Marie, you have a wonderful fantasy
You made a find of me, but I'm not the man you need
Oh, Marie, you'll take it away from me
It's something I wanted to be, but not when I'm twenty-three

This ain't how I planned it to be
We had a deal but you disagreed
This ain't how I planned it to be
We had a deal but you disagreed

Ma-Ma-Ma-Ma-Ma-Marie
Good times and memories
You do as you please
Better take good care of our kid
'Cause I don't think that I'ma be there to do it
