

Through

Left Boy

I'm through, walking, through the city
Thinking that one day you'd come with me

I knew that I was a fool that day that
I saw you walk home from school with
What was his name?
What was his name?
What was his name?
What was his name?
What did you do?
What did you do?
What did you do?
What did you do?
What was his name?
What was his name?
What was his name?
What was his name?
What did you do?
What did you do?
What did you do?
What did you do?
What was his name?
What was his name?
What was his name?
What was his name?
What did you do?
What did you do?
What did you do?
What did you do?

I got blood stains on my shoes
They shouldn't have told me where to find you
My face is on the evening news
I hear the sirens going woopwoop woop

I knew that I was a fool that day that
I saw you walk home from school with
What was his name?
What was his name?
What was his name?
What was his name?
What did you do?
What did you do?
What did you do?
What did you do?
What was his name?
What was his name?
What was his name?
What was his name?
What did you do?
What did you do?
What did you do?
What did you do?
What was his name?
What was his name?
What was his name?
What was his name?
What did you do?
What did you do?
What did you do?
What did you do?
What was his name?
What was his name?
What was his name?
What was his name?

What did you do?
What did you do?
What did you do?
What did you do?
