

Your Song

Left Boy

So I hooked up with your best friend, it's true
It shouldn't really matter, to you
I was just trying, to see
If you give a, uh, 'bout me
And I guess you do and I guess I'm wrong
And I shouldn't have done, what I did, come on
And I was, eh, hammered, outta my mind
A girl like you is hard to find
So I say

Can't you drop this thing
It's not that interesting
Every second you're upset is a just a moment you're wasting
And I know that you play your game
'Cause I play the same
And it's a pain to keep doing the same thing
Over and over a-again
I told you I would write one
And I think that it's the right time
Look there's something about us, I want to say
'Cause there's something between us anyway
Well, some days

And I think that's true
It's a vibe that I get when I'm talking to you
And a side of me thinks that I'm falling for who
The girl of my dreams but I don't dream of you
I wanna make that change
I know that I sometimes act quite strange
But I am quite sane when the alcohol isn't in my veins

Can't you drop this thing
It's not that interesting
Every second you're upset is a just a moment you're wasting
And I know that you play your game
'Cause I play the same
And it's a pain to keep doing the same thing
Over and over ah-again
I told you I would write one
And I think that it's the right time
Look there's something about us, I want to say
'Cause there's something between us anyway
Well, some days
