

Don't Let Her See Me Cry

Lefty Frizzell

Won't you tell telephone me that she can go I set her
free
For I don't want to say goodbye and let her see me cry
Tell to her just any old thing say I went somewhere the
same
For I just can't look her in the eyes and let her see me
cry
I don't want to see or talk to anyone I know until she's
gone until she goes
So you see the reason why I want you to tell a lie
And just for me say goodbye and don't let her see me cry
I don't want to see...
