

Don't Think It Ain't Been Fun, Dear (Cuz It Ain't)

Lefty Frizzell

Don't think it ain't been fun dear cause it ain't
Don't think that I can't leave you cause I can't
Don't think that you can run around and break my heart into
It's in so many pieces now I running out of glue

Don't think you can make me jealous with a brand new man
Don't think that it can hurt me cause you know it can
I see you with somebody new and then I wanna faint
Don't think it ain't been fun dear cause it ain't

Don't think it ain't been fun dear cause it ain't
Don't think that I can't leave you cause I can't
You want to be a sweet young thing and slip around on me
But baby just remember you ain't what you used to be

Don't think you can hurt my feelings dear and make me blue
These tears that I am shedding dear are just for you
I keep on running after you to catch up but I can't
Don't think it ain't been fun dear cause it ain't

Don't think it ain't been fun dear cause it ain't
Don't think that I can't leave you cause I can't
Don't think that you can run around and break my heart into
It's in so many pieces now I running out of glue

Don't think you can make me jealous with a brand new man
Don't think that it can hurt me cause you know it can
I see you with somebody new and then I wanna faint
Don't think it ain't been fun dear cause it ain't
