

Get This Stranger Out of Me

Lefty Frizzell

[Verse 1:]

Something is trying to push you out of my heart
Darling don't let it succeed
Kiss me with fire then let desire

[Chorus:]

Get this stranger out of me

[Verse 2:]

Something inside me begs me to leave you
Something inside me wants to deceive you

Darling please hold me try to control me

[Chorus]

[Verse 3:]

Something inside me says you don't want me
Something inside me continues to haunt me
Set me on fire with flames of desire

[Chorus] [x2]
