

## Give Me More, More, More

Lefty Frizzell

When my gal and I go on a date  
We always come in kinda late  
When I say goodnight at her front door  
I always beg for one kiss more

Give me more, more, more of your kisses  
I want more, more, more tender kisses  
And when I finally go  
You can hear the rooster crow  
Oh please give me one more tender kiss

Now I'll admit I lose some sleep  
By staying out so late  
But when I kiss my gal goodnight  
The sleep will have to wait

Give me more, more, more of your kisses  
I want more, more, more tender kisses  
The neighbors all raise Cain  
And I know that it's a shame  
But I've got to have another tender kiss

Now all the neighbors in her block  
Have offered things, you see  
They'll even pay the wedding bills  
To just get rid of me

Yelling more, more, more of your kisses  
I cry for more, more, more tender kisses  
And when I leave her door  
You can hear me beg for more  
Oh please give me one more tender kiss
