

If You're Ever Lonely Darling

Lefty Frizzell

If you're ever lonely, darling Think of all that I've been through
Long and lonesome nights, sweetheart I've waited on you
Say in your mind you have it coming
And you know you have to pay
Maybe baby, you will learn
And change someday

Why, oh, why
Did you try to deceive me?
You've made me blue, sweetheart
Both night and day

Say in your mind you have it coming
And you know you have to pay
Maybe baby you will learn
And change someday

Why, oh, why
Did you try to deceive me?
You've made me blue, sweetheart
Both night and day

Say in your mind you have it coming
And you know you have to pay
Maybe baby you will learn
And change someday
