

Look What Thoughts Will Do

Lefty Frizzell

Once I thought I loved just you and I thought you loved
me too
But just look what thoughts will do for today you say
we're through
Now another wears the crown and you think that you have
found
Just what makes your world go round watch those thoughts
they'll get you down
If within your future years your new love should bring
you tears
Then you'll think of me I'm sure but those thoughts won't
help you dear
Thought I'd build a home for two just a home for me and
you
Thought we'd have some kiddies too but just look what
thoughts will do
Now I know just how you feel that your love was never
real
Guess to you I don't appeal so we'll just forget the deal
So goodbye and here's to you and I'm happy through and
through
Yes you thought that I'd be blue but just look what
thoughts will do
