

Release Me (and Let Me Love Again)

Lefty Frizzell

Please release me let me go I don't love you anymore
To live together is a sin release and let me love again
Oh I have found a new love dear and I will always want
her near
Her lips are warm while yours are cold release me please
darling let me go
I once loved your lovely face but now someone will take
your place
Can't you see that you can't win release me and let me
love again
Please release me let me go I don't love you anymore
To live together is a sin release and let me love again
