

## Travellin' Blues

Lefty Frizzell

I had a dream last night  
I thought my good gal had gone  
Well, I woke up this mornin'  
She really hadn't done me wrong  
I know it's not fair  
But my good gal has done [Incomprehensible]

I'm goin' away, leavin' today  
I'm gonna bring my baby back  
If that eight wheel driver  
Don't jump the railroad track  
I take her from that man  
Gonna bring her home if I can

My gal's been triflin' 'round  
About a week I know  
Several of my friends  
Just told me so and so  
She's findin' new men  
And now I can't understand

So I'm goin' away, leavin' today  
I'm gonna bring my baby back  
If that eight wheel driver  
Don't jump the railroad track  
I take her from that man  
Gonna bring her home if I can

Well, it's true my baby's gone  
I know it won't be long  
We'll both be on that train  
My baby's comin' home again  
She's been triflin' 'round  
But now she has turned him down

Yeah, I'm goin' away, leavin' today  
I'm gonna bring my baby back  
If that eight wheel driver  
Don't jump the railroad track  
I take her from that man  
Gonna bring her home if I can
