

Why Should I Be Lonely

Lefty Frizzell

Oh the moon lights so bright makes me lonely tonight
Everything seems to make me feel blue here
I'm down hearted now I'm lonesome somehow cause you are proving
untrue
Why sould I be so lonely why should I be so sad
Though another is taking from me the best pal that I've ever ha
d
She's taking the sunshine with her leaving the clouds for me
But why should I be so lonesome when there's nobody lonesome fo
r me

Oh the violets so blue are calling for roses so sweet make me l
onely
They bring to my mind a sweet happy time when your love was onl
y for me
But why should I be so lonely...
