

Killing Breed

Legion of the Damned

Strike from deep within
Strength beyond imagination
Hatred from below
Don't expect your salvation

Untamed emotions, applied for one skill
Perfectionism, see the beauty of a kill
Soldier of steel, powered by a need
Craving to slay, on your soul he'll feed

Strike hard from below
Hatred from the deepest pit
Fight him and you'll know
You'll be a bloody hit

Untamed emotions, applied for one skill
Perfectionism, see the beauty of a kill
Soldier of steel, powered by a need
Craving to slay, on your soul he'll feed

Fused by lightning
DNA of tyrants
Claws of steel
Heart of stone
Lethally programmed
Forcefully damned
What it's for
Machine for war

Propensity to fight
Genetic manipulation
Bred and thought to kill
Fleshless soldier at your will

Genetic manipulation
Combined with newest alloys
Total devastation
Fleshless soldier at your will

Sever training
ON the remaining
Have no fear
Death is near
Time for action
Has arrived
Prepare to die
Now it's war
