

# Mask of Terror

## Legion of the Damned

The masked menace unseen... lurking in the shadows...  
Challenge those who govern... with violent means...  
Combat in the streets, first initiation  
Fire-bomb the enemy, with hate and indignation  
Strife the way of action kill without remorse  
Reject your constellations, in this eternal war

Black Mask of Terror - Subversion I hail  
Black Mask of Terror - Destructive reign!  
Black Mask of Terror - Scorpion breath  
Black Mask of Terror - Spitting forth lead

Grenade thrown in the masses, merciless shrapnel rain  
Severing limbs from bodies, ripping flesh from bone  
Chain of bomb attacks, total war declared  
Random assassinations, no civil targets spared

Black masks assassin  
Death's eternal whore!

Hostages are taken, in audacious raids  
Threat of execution, in this terror reign  
Strategies of tension, scorpion spilling lead  
We're without remorse, about those left dead

Black Mask of Terror - Subversion I hail  
Black Mask of Terror - Destructive reign!  
Black Mask of Terror - Scorpion breath  
Black Mask of Terror - Spitting forth lead

Take aim and fire  
Kill with desire  
Take aim and fire  
Our mission is death

Death will come... where I walk...  
In my wake... death of God...  
Shade of the jackal... sons of death...  
Scorpion lords... sisters of hell...  
Unholy union... bound by hate...  
Merciles mayhem... wrathful fate...  
Torrent of fire... destructive roar...  
Eternal slaughter... eternal war...
