

Phaedrus

Leif Vollebekk

The way that it was
The way that it was
The way that it was Mama
Is the way it should be

Now I have had visions Mama
Ever since I was a child
And when you kissed me and smiled
It was all I could see

Now were you with me?
Or was I with you?
When I drank from the Lethe, Mama
Tell me wasn't it you?

The way that it was
Yeah, the way that it was Mama
The way that it was
Is the way it should be
