Flip these bitches off my back like Remy, mean  
Everybody staring, who they watching? Me  
"What's behind the mask?" What mask? Bitch, please  
Devil wearing Prada, I'm so godly in Gabbana  
Word to momma, had to cop a bigger bag for all these commas  
I keep a blade in my bag, 'case I gotta check a hoe  
'Cause I'm too hot to handle, cold like an Eskimo (Flex)

Nails pink lemonade, I like to match what I sip
