My girls don't trip, my girls keep winning  
My girls don't lose, my girls just keep on  
Getting braids to the floor, getting braids to the floor  
Get-getting braids to the floor, getting braids to the floor  
N-n-nails up to the ceiling, nail-nails to the ceiling  
Get them nails up to the ceiling, them nails up to the ceiling

Tanisha 25, look 18, 2 kids, Masters degree  
Put her own self through school  
Hot damn, drinks on me  
Shamira got her own shop, got the whole block hot  
Chairs stay packed, she getting racks  
Homegirl just bought a new drop  
Who need a man in my clique? Ha, not nare one bitch  
Now don't you get it messed up, we still in love with the stick  
With that name tattooed on our hearts  
With that name tattooed on our parts  
They get crazy when they don't know where we are  
Boy, you better stop

My girls don't trip, my girls keep winning  
My girls don't lose, my girls just keep on  
Getting braids to the floor, getting braids to the floor  
Get-getting braids to the floor, getting braids to the floor  
N-n-nails up to the ceiling, nail-nails to the ceiling  
Get them nails up to the ceiling, them nails up to the ceiling

Tonight, we celebrating Shonda  
Last night dancing, just bought a mansion  
Used to bop down Gates in a Honda  
And now she riding Lambs, plus a new man  
Sorority sisters, I see you, step to this on the yard, hot damn  
Who gon' tell you can't do you, baby, you can, goddamn  
Scrunch your face when you dance, l-look at me, ho  
We having a good time, I'm making a toast  
Lit, brand new outfit  
Brai-braids down to the floor, y'all already know

My girls don't trip, my girls keep winning  
My girls don't lose, my girls just keep on  
Getting braids to the floor, getting braids to the floor  
Get-getting braids to the floor, getting braids to the floor  
N-n-nails up to the ceiling, nail-nails to the ceiling  
Get them nails up to the ceiling, them nails up to the ceiling  
Getting braids to the floor, getting braids to the floor  
Get-getting braids to the floor, getting braids to the floor  
N-n-nails up to the ceiling, nail-nails to the ceiling  
Get them nails up to the ceiling, them nails up to the ceiling
