Girl just shut up your mouth and chew up on a bubblegum  
I feel the same and my motto with me, plum plum  
Getting my run done, they got sweet dem  
Everyday and my piece saw me on they bun

And stay now work in prayer, oki?  
Both of my piece saw me kooky, caught me in a lookie  
Tell me somethin' Congo, and [?] drookie  
They causin' no g-strikes  
I wear my one, I'm soon catchin' diabetes  
Caught and no one pushin' spoons and no wheaties  
And my sweeties  
He might be get it cause I'm sayin' daddy sweetie

Girl just shut up your mouth and chew up on a bubblegum  
I feel the same and my motto with me, plum plum  
Getting my run done, they got sweet dem

Now I'm june plum, my juulie mango  
Anywhere the sugar at, that's where your mom go  
Be a gal touch him more, give him a sugar rush  
So appetize ya just hush  
And once I got roll up in tamarind ball  
Tough him, ginja lug me [?]  
He love and I be sweet in the [?], say whats up  
So everyday your man come a dick and the shower

A trinibad might rush me, a trini nough get follow me  
Eve's up, it's the Dior that make them all adore  
That thing ripe and ready, want some? All stay  
My ex member he da one dats outta bounds  
So I made out with a 6-foot-girl from Georgetown  
This motion picture shit, hardcore protagonist  
Go look it up hoe, means I'm the head bitch

Your mind become a lane  
Want some and [?], candy cane  
What I am is a [?]  
That's why I'm [?], offer him rent
