Six, I'm famous  
Five, I'm famous  
Four, I'm famous  
Three, two, one

Micros coming back on you hoes  
Cucumber color for my cuticles  
Still the same gang hopping on and off these planes  
On the boulevard  
Any MLK  
I'ont like to brag but right about now I am  
Diamond fairies all around me, Peter Pan  
Tinker on the shoe when I'm in the field  
Reggie cut the check. I need a hunned mil

Black du rag with a high brow  
Euro wasn't straight so I said, "Ciao"  
Got ten dogs to my right now  
And they ain't really much for the pow-wow  
Chitty bang, chitty bang, chitty bang  
Girl blunt blowing out the window mane  
Chitty bang, chitty bang, chitty bang  
Champagne spilling on my woodgrain  
Sycophants at the door, door  
They coming in through the flo', flo'  
Stretch call me on my phone telling me 'ho jump out the window'  
Punch that, punch that, punch that  
I keep a automatic where the clutch at  
Black eyes cover up the new ride  
Chauffeur take me to the west side, I need lights

Glass chandelier  
Diamonds for my tears  
Momma I made it  
I'm famous
